In return for payment of the premium shown in **your schedule**, **we** agree to insure **you**, subject to the terms and conditions contained in or endorsed on this **policy** and **schedule**, against any loss or damage **you** sustain or legal liability **you** incur for accidents happening during the period shown in **your schedule**.

The insurance relates ONLY to those sections of the **policy** which are shown in **your schedule** as being included.

Please read the following information, which will help **you** understand how **your policy** works.

Policy documents

Your policy is made up of:

- This policy wording
- **Your schedule** - this shows the sections of cover **you** have bought and any **policy** limits.
- Any **endorsements** – these are agreed changes to the cover. They are shown on **your schedule** if any apply.

IMPORTANT

These **policy** documents set out the conditions of the contract of insurance between **you** and **us**.

You should keep them in a safe place. Please read all these documents carefully. The **policy** is arranged in different sections. It is important that:

- **you** are clear which sections **you** have requested and want to be included;
- **you** understand what each section covers and does not cover;
- **you** understand **your** own duties under each section and under the insurance as a whole.

What do I need to do now?

You should read the **policy** carefully and check **you** are happy that it meets **your** needs. **You** should speak to **your broker** without delay if the **policy**:

- Does not meet **your** needs
- Any information is wrong
- **You** have any questions about the **policy**

What conditions do I need to comply with?

The policy includes things **you** must do (or not do). These can be found in the:

- General Conditions on page 17
- Sections of cover and depending on how **your home** is used there may be additional conditions that only apply to that **home** use and **you** must refer to the relevant section for **your home** use. For example, Unoccupied home, Holiday / Second home or Residential Let home.
- Claims Conditions on page 19.

IMPORTANT

Please read the conditions carefully and check **you** can comply with them. Please speak to **your broker** if **you** cannot comply with the conditions as non-compliance may affect **your** cover.

What is covered and what is not covered?

The **policy** is split into different parts.

There are sections providing information and sections that set out the cover available.

- **Your schedule** shows which covers are included in **your policy**
- The 'General terms' section applies to all parts of the **policy**
- Each section of cover has headings which show 'What is covered' and 'What is not covered'
- **Your policy** also contains 'General exclusions' which apply to all sections of cover – these are found on page 15
- Each section of cover may contain additional cover, exclusions and conditions that only apply to that section
- The most **we** will pay in respect of the cover provided for each **home** is shown on **your schedule**.

IMPORTANT

You are only covered under a section of cover under this **policy** if **your schedule** specifically shows **you** are covered under that section.

Defined words

Some words have a special meaning. These are shown in **bold**. Their meaning is either shown under 'Defined words' within the 'General terms', pages 8 to 14, or in the section in which they are used.

Guidance

Throughout the **policy**, **you** will see the following, which are designed to help **you** understand the cover:

TIP

These boxes contain tips to help **you** understand **your** cover or protect **your** property. These are included to help **you**, and are not part of the actual cover.

EXAMPLE

These boxes contain examples to help **you** understand the cover. These are examples only and are not exhaustive lists.

Examples of common claims

Examples of common claims

Below is a list of some common reasons for making a claim, together with a list of the steps **you** need to take.

You should read **your schedule**, any **endorsements** and the relevant sections of **your policy** to ensure **you** have the cover **you** require.

Accidental damage

What has happened?

- Spilled red wine on **your** carpet?
- Put **your** foot through the ceiling while working in the loft?
- A game of football resulted in a damaged window.
- TV knocked over or **your** mobile phone dropped down the toilet by **your** children?

What you need to do

1. Check if **you** purchased cover for **accidental damage**, as this is not automatically included under **your policy**. **You** can do this by looking at **your schedule**.
2. If **you** do have cover, find **accidental damage** under either the **Buildings** or **Contents** sections to see what is covered and what is not covered. These are on page 24 for **Buildings** or page 39 for **Contents**.
3. If **you** think **your** claim might be covered, check the 'Claims conditions' on page 19, which tell **you** how to let **us** know about the claim.

Tips

- Do not forget, **accidental damage** is defined as being sudden and accidental, so it does not include wear and tear
- It is useful if **you** have the details of the damaged items to hand, for example make, model and cost when purchased.

Escape of Water

What has happened?

- Flooding from a burst pipe?
- Water leaking from **your** washing machine?
- Water has damaged **your** carpets and furniture?

What you need to do

1. Apart from Unoccupied home Level 1 and 2 cover **your policy** covers escape of water under the **Buildings** or **Contents** sections as standard, so unless any exclusions apply, **you** should be covered.
2. Under the **Buildings** section, **we** will not cover escape of water caused by **subsidence, heave** or **landslip**.
3. If **you** think **your** claim might be covered, check the 'Claims conditions' on page 19, which tell **you** how to let us know about the claim.

Tips

*During October to April having **your** heating set at a minimum 15 degrees centigrade, rather than off for long periods, may help prevent pipes freezing.*

We recommend that **you** get **your** heating system checked regularly to make sure it is in good working order. It would be helpful to have any service history of **your** boiler to hand if the claim relates to **your** pipes.

Fire

What has happened?

Fire caused by a faulty cooker destroyed **your** kitchen?

What you need to do

1. **Your policy** covers fire, including related smoke damage as standard, so unless any exclusions apply, **you** should be covered. It also covers lightning, explosion or earthquake.
2. If **you** think **your** claim might be covered, check the 'Claims conditions' on page 19, which tell **you** how to let us know about the claim.

Tips

We recommend **you** have smoke alarms fitted throughout **your home**.

Keeping bedroom doors shut at night can help reduce the spread of fire or smoke.

We may appoint a surveyor to help assess the actual loss, but it would be helpful if **you** have any documents that show the value of any items that have been damaged

If the fire has damaged any electrical fittings, **you** should get **your** property checked by a qualified electrician.

Storm damage

What has happened?

- Tiles blown from **your** roof during a **storm**?

What you need to do

1. Apart from Unoccupied home Level 1 cover **your policy** covers **storm, flood** or weight of snow or ice as standard, so unless any exclusions apply, **you** should be covered.
2. If **you** think **your** claim might be covered, check the 'Claims conditions' on page 19, which tell **you** how to let us know about the claim.

Theft

What has happened?

Contents stolen from **your home**?

What you need to do

1. Apart from Unoccupied home Level 1 cover **your policy** may cover theft or attempted theft as standard, so please check **your** cover on **your schedule**. For example, unoccupied property may not cover theft or have a limit.
2. Do not forget to get a crime reference number when **you** contact the Gardia.
3. If **you** think **your** claim might be covered, check the 'Claims conditions' on page 19, which tell **you** how to let us know about the claim.

Additional Exclusions and Conditions

In addition to the above the following additional exclusions and/or conditions apply whilst the **home** is being used as a residential let **home**:

1.6 – Buildings – Liability cover

TIP

If **you** are both the owner and the occupier of the **home** be aware this section does NOT cover **your** liability as occupier, personal liability or liability for **domestic staff**. This buildings liability section only covers **you** as owner of the **home** and its land. For liability as occupier, **your** personal liability and liability for **domestic staff** **you** must ensure **you** have **contents** insurance in place which will provide the cover.

	What is covered We will also cover:	What is not covered The General exclusions apply in addition to the exclusions listed below. We will not cover your liability:
Liability to others	What is covered your or your family's liability to pay compensation to the public as a result of: <ol style="list-style-type: none"> bodily injury to a third party; or damage to property belonging to a third party, due to an accident during the period of insurance arising from: <ol style="list-style-type: none"> you owning the home and its land. 	<ol style="list-style-type: none"> for you occupying the home and its land (refer to the liability section under 'Section 2 – Contents' if operative. for bodily injury to: <ol style="list-style-type: none"> you or your family anyone living permanently in the home; or anyone employed by you or your family. This includes domestic staff. for damage to property owned by, or in the control of: <ol style="list-style-type: none"> you or your family anyone living permanently in the home; or anyone carrying out work for you or your family arising from any profession, occupation business or employment of you or your family due to pollution or contamination. This does not apply if it: <ol style="list-style-type: none"> is caused by a sudden, identifiable and unexpected accident that happens at a specific time and place during the period of insurance at the home; or is reported to us not later than 30 days from the end of the period of insurance. arising from you or your family's ownership, occupation, possession or use of land or buildings away from the home.

1.7 – Buildings – How we pay claims

1. Maximum payment

We will pay up to the 'Buildings – cover' limit shown on **your schedule** for each loss for each **home** covered under this section of the **policy**, unless a lower limit is shown on **your schedule** for a particular type of loss.

2. Repair or replacement

For covered damage, **we** will pay the cost of repair or rebuilding.

3. Poor state or repair

If the **buildings** were not in a good state of repair immediately before the damage, **we** will only pay to repair or rebuild the **buildings** to their actual condition before the loss.

4. Underinsurance

If the **policy** limit for the **buildings** is lower than the true cost of rebuilding them to their condition immediately before the damage, **we** will reduce the amount **we** pay. The amount **we** pay will be calculated as follows:

$$\text{Amount we will pay (\%)} = \frac{\text{Policy limit}}{\text{True rebuilding cost}} \times 100$$

EXAMPLE

If the true cost of replacement is €900,000 and the **policy** limit is €600,000, **we** will only pay 67% of **your** claim (€603,000 in this example).

IMPORTANT

The true rebuilding cost is the cost to rebuild the **buildings** if they're completely destroyed. This includes:

1. the full cost of rebuilding as new in the same form, style and condition
2. architects', surveyors, engineers and legal fees; and
3. debris removal and costs to comply with any legal requirements.

This is not the market value. If **you** need help in working out the correct **policy** limit **you** should speak to **your broker** as it is very important to get this amount right. If **you** do not, **we** may not pay **your** claim in full.

If the full value of **your buildings** exceeds the values shown on **your schedule** the cover under this **policy** may no longer meet **your** needs. **You** must tell **us** if this is the case as **we** may no longer be able to offer **you** cover.

If the full value of **your buildings** at the inception date of the **policy** exceeds the maximum limit **we** are willing to insure then **we** may treat the **policy** as if it never existed, return all premiums and not consider any claims.

5. Matching sets

If

- a. any parts of the **buildings** form part of a pair, set or suite with a common design; and
- b. the loss is restricted to an identifiable area or specific part; **we** will only cover the damaged area or part. However, if it's not possible to repair or replace the damaged parts or items, **we** will pay 50% towards the cost of replacing the non-damaged matching parts or items.

EXAMPLE

If **your** sink is damaged but not the matching toilet or bathtub, **we** will pay for the sink to be replaced, if a matching replacement can be obtained. If a matching replacement cannot be obtained, **we** will pay for a new sink and 50% towards the cost of the toilet or bathtub.

6. Loss in value

We will not cover any loss in value of any item that **we** have agreed to repair or replace.

7. Automatic increase of limit

If **you** renew this **policy**, **we** will automatically increase the sum insured limit for the 'Buildings – Cover' in line with the House Rebuilding Cost Index prepared by the Royal Institution of Chartered Surveyors or another appropriate index.

If the index falls, **we** will not reduce the limit.

We will tell **you** the new sum insured limit at renewal.

TIP

We recommend **you** check the rebuilding cost of **your home** regularly, as the index is based on an average of house types. It will not take into account regional trends, labour and material costs.

Your **broker** should be able to help if **you** have any queries

8. Maximum liability to others payment

For section '1.6 – Buildings – Liability to others' **we** will pay up to the limit shown on **your schedule** for each claim, unless a lower limit is shown on **your schedule** for a particular type of loss.

9. Liability to others defence costs

We will pay defence costs (where agreed by **us**) in addition to the limit shown on **your schedule** for '1.6 – Buildings – Liability to others', subject to the defence costs limit shown on **your schedule**.

10. Liability to others connected claims

If more than one claim arises from the same accident or event, **we** will only pay up to one limit shown on **your schedule** for all of those claims. If a claim is covered under more than one section of cover under this **policy**, **we** will only pay up to one limit, whichever is the higher limit shown on **your schedule**.

EXAMPLE

*If one incident causes **bodily injury** and damage to property, **we** will only pay up to one **policy** limit for both claims together.*
